

**New Jersey Lions - Multiple District 16
2021 Virtual State Convention
Celebrating 100 years of Lionism in New Jersey
May 21st and 22nd, 2021**

MEMORIAL SERVICE REPORT

Every year at the State Convention, a Memorial Service is held to honor and remember those Lions who have passed away since the last Convention. The cooperation of every Club in our Multiple District is urgently requested so that a beautiful service can be complete in every detail.

Each Club Secretary should fill in the form below, listing the Lion members of his/her club who have been called to their final reward during the period of April 15, 2020 to the present date. These forms will be used to make the program, which will be used for the Memorial Service. If a death should occur after the list is sent in, please promptly contact the State Office (732 747-9440), so the list can be as accurate as possible.

LIONS CLUB OF _____ DISTRICT _____

NAME OF DECEASED:

Our sincere thanks for your cooperation in providing the above information
