Tropicana, Atlantic City, NJ

Convention Book Advertisement

Dear Lions:

We will be having our 102nd state convention in Atlantic City between May 18th and 20th , 2023. It is our annual convention. We are expecting a great response from our members. We are looking forward to meeting Lions from all over the state.

As always, we will be giving an opportunity to Lions, non-lions, club, and businesses to buy pages in the convention book. We request you to reach out to your club and local businesses and ask them to reserve their page in the book.

Traditionally, we have pages from the candidates for district office, clubs showcasing their service, our state projects, other non-profit partners, businesses, and memorial pages for lions who were called for a higher service. We can help you with the page design. Please reach out to Lion Kevin Kosobucki, PDG at kkosobucki@aol.com or 732-234-3932 for more details.
