

MULTIPLE DISTRICT 16 - NEW JERSEY LIONS

2026 STATE CONVENTION AD ORDER FORM

Hello. Lions Clubs International is the World's Largest Service organization with approximately 1,400,000 members in over 200 countries in over 49,000 clubs. In New Jersey, we have approximately 3,800 Lions (men and women serving their communities). In May, the NJ Lions will be having their annual convention at The Tropicana Atlantic City - Boardwalk Resort & Casino. For 108 years, Lions have helped the Blind and Visually Impaired (and have also helped the hearing impaired, helped with Disaster Relief, and provided many other needed services related to Diabetes, Environment, Hunger Relief, Childhood Cancer, Youth). It is often said that **Lions are "Loving Individuals Offering Needed Services"**

Now, NJ Lions are coming to you (to your business) asking for your financial support in helping us to continue to offer our needed services. Won't you please donate **\$200 for a full page color advertisement in our State Convention Book** (or \$100 for a Black & White page)? Not only will the Lions at the Convention see your page, but the book will be on our website for the upcoming year.

So please help us, continue to help others.

The Deadline for Program & Ad Book submissions is March 31, 2026. The ad copy (8½" by 11") must be in Word, WordPerfect or PDF Format.

If you will help us, please complete this Order Form, and return it together with your check to:
